The California Department of Public Health places strict controls on the gathering and use of personally identifiable data. Personal information is not disclosed, made available, or otherwise used for purposes other than those specified at the time of collection, except with consent or as authorized by law or regulation. The Department's information management practices are consistent with the Information Practices Act (Civil Code Section 1798 et seq.), the Public Records Act (Government Code Section 6250 et seq.), Government Code Sections 11015.5 and 11019.9, and with other applicable laws pertaining to information privacy.

## GUIDANCE FOR COMPLETING FORM CDPH 286

Review the pupil's immunization record for admission to:

- Pre-kindergarten (child care or preschool);
  - Transitional kindergarten/kindergarten through 12<sup>th</sup> grade (TK/K-12);
  - (Or advancement to) 7<sup>th</sup> grade.
1. Complete the pupil's identification section. The Statewide Student Identifier (SSID) is a 10-digit number assigned to TK/K-12 public school pupils by the California Department of Education.
  2. Complete the vaccine and dose section using information from the pupil's immunization record provided by a parent or guardian, prior school, or an immunization registry.
    - a. Record the date (month/day/year) of each dose the pupil has received, even if the pupil has an exemption to one or more required vaccines. Any vaccine given four or fewer days prior to the minimum required age is valid.
    - b. Check the Permanent Medical Exemption (PME) box(es) for vaccines that are permanently exempt for medical reasons. If all vaccines are exempted, then fill in the date for "Date Requirements Met" in the appropriate row in the Status of Requirements section. This date is usually the date records are determined to be complete. File the required physician's written statement specifying the exempted immunization(s) in the pupil's record.
  3. Complete the appropriate row in the Status of Requirements section.
    - a. Enter the initials of the staff reviewing the pupil's record.
    - b. If the pupil meets admission requirements, check the designated box and enter the date under "Date Requirements Met." This date is usually the date records are determined to be complete.
    - c. If the pupil does not have all required doses but is not due for any doses at the time of admission, check the "Missing Doses Not Currently Due—Conditional" box and fill in the "Follow-up Date(s)" space. Review records at least every 30 days. Once the pupil meets all admission requirements, fill in the date for "Date Requirements Met."
    - d. If the pupil has a Temporary Medical Exemption, check the designated box and write the expiration date in the "Follow-up Date(s)" space. Once the pupil meets all admission requirements, fill in the date for the "Date Requirements Met."
    - e. If the pupil is due for doses and subject to exclusion, check the "Missing Doses Are Overdue—Needs Doses Now" box and fill in the "Follow-up Date(s)" space.
  - f. If the pupil does not have all required immunizations and does not meet criteria for conditional admission (including a temporary medical exemption) and is:
    - **IEP:** Accessing special education services required by the pupil's individualized education program, or
    - **IND:** Enrolled in an independent study program and does not receive classroom-based instruction, or
    - **Home:** Enrolled in a home-based private school, or
    - **PBE (pre-2016):** Transferring from another school in California with a valid personal beliefs exemption filed before 2016,Then, using the codes above, check the appropriate box under "Other" and fill in the date for "Date Requirements Met."

**Maintain a roster of all pupils who are unimmunized for immediate identification in case of disease outbreak or exposure in the community.**

### TRANSFER PUPILS

**Transferring from a school in-state or another state:** Review the immunization information and supporting documentation for exemptions included in the pupil's record or other immunization record, verifying the pupil has met immunization requirements for the pupil's age/grade. If the pupil has a personal beliefs exemption (PBE) filed in California prior to 2016 and has not reached the next grade span (in accordance with Health and Safety Code section 120335) or has a Permanent Medical Exemption (PME), then add the pupil's name to your facility's roster of unimmunized pupils.

**Transferring from your school:** Provide this form or an equivalent immunization record as specified in 17 CCR section 6070(b) and any exemption documentation as part of the pupil's record.

If a pupil transfers from one school to another within California, the pupil's record shall be transferred by the former school no later than 10 school days following the date of request from the school where the pupil intends to enroll (California Education Code section 49068).

**Foster children:** California law requires schools to immediately enroll foster children transferring to their school even if the child is unable to produce immunization records normally required for school entry. Within two business days of the foster child's request for enrollment, the educational liaison for the new school shall contact the school last attended to obtain all records. The educational liaison for the school last attended shall provide all records to the new school within two business days of receiving the request (California Education Code section 48853.5(e)(8)(C)).
